IN COMMEMORATION of the fourth anniversary of the Rotary Club of Sedona Red Rocks, Benny Bennight, left, a member on the board of directors; Barbara R. Brown, center, local sculptor; and Randy Sosin president of the club dedicated "The Lucky Javelina" on Tuesday, April 4, in Uptown. The bronze sculpture is based on a wishing well concept and pedestrians are invited to "Rub the lucky javelina nose drop a buck and have good luck." "I'm very pleased to have the opportunity to do this," Brown said. The funds collected from the lucky javelina will go toward the many charitable endeavors of the club, which focus on youth oriented programs. The club anticipates the sculpture will generate approximately \$2,500 a year.
